The IRB has approved the above referenced modification. See below for a description of the modification:

A bi annual newsletter is developed by the MESA Coordinating Center in Seattle, WA to distribute to all participants. The newsletter contains descriptions of ongoing findings from the MESA study and informs participants of future study goals. The current newsletter, MESA Messenger Summer 2015 No. 19 is uploaded in the recruitment material section for your review and approval.

Current subjects will be notified of these changes.

In conducting this study, you are required to follow the requirements listed in the Northwestern University (NU) Investigator Manual (HRP-103), which can be found by navigating to the IRB Library within the eIRB+ system.

NU IRB approval does not constitute nor guarantee institutional approval and/or support. Investigators and study team members must comply with all applicable federal, state, and local laws, as well as NU Policies and Procedures, which may include obtaining approval for your research activities from other individuals or entities.

For IRB-related questions, please consult the NU IRB website at <http://irb.northwestern.edu>. For general research questions, please consult the NU Office for Research website at <http://www.research.northwestern.edu>.

Sincerely,

Heather Gipson
IRB Director
